

An NSF International Company

## **NSF-CMi Senior Auditor wins top SOFHT award**

Emma Bootman, a Senior Food Technologist with NSF-CMi Ltd, has won the prestigious SOFHT Best Auditor/Technologist Award at the 2009 SOFHT Awards held on 26 November in London.

Judged by a panel of experienced food industry professionals from the Society's membership. The SOFHT Awards recognise and celebrate the excellence within the food industry and its associated industries.

### About NSF-CMi

NSF-CMi, the most widely known and respected food assurance brand, leads NSF International food assurance operations outside North America. Through our international network of offices we deliver services and expertise to established and developing food supply operations in all regions of the world.

NSF-CMi services include certification, consulting, technical and risk services that enable companies both to comply with legislative and industry standards and gain competitive advantage in their markets.
